Early Childhood Environmental Education

Workshop

A workshop for anyone who is interested in environmental education for early childhood. Participating Childcare Centres will receive vouchers for products to help their centre be more sustainable.

Booklets, plants, trees, cleaning products and more...

Workshop
Sponsored by

Guest speakers

Julie Gaul and Deb Watson of the NSW Early Childhood Environment Education Network.

Easy steps to creating more sustainable childcare centres - programs from three Blue Mountains early childhood centres.

Saturday 12th March
